**NEW YEAR, NEW WEBSITE!** • [www.sarniafirstfriday.com](http://www.sarniafirstfriday.com)

We are delighted to announce that Sarnia First Friday is now online. With the success and growth of the monthly First Friday publication, www.SarniaFirstFriday.com was launched to provide quick, interactive access to First Friday content. The new website will enable visitors to provide feedback on content, connect with artists and venues, and reach out through social media. More importantly, it will help our communities get to know First Friday better. We hope that you enjoy visiting our new website.

Going forward, we promise to continually expand our online content to keep you updated with the latest First Friday information. So check back often, and connect with us on your social network.
